

1098-T Reporting Information

In 1997, the United States Congress passed the Taxpayer Relief Act of 1997 (TRA '97). A portion of this act provides for tax credits in certain cases for qualified tuition and fees paid to institutions of higher education. No later than January 31, Valdosta State University will provide a Form 1098-T to each enrolled student billed for tuition at the University during the previous calendar year. Forms can be accessed via your student account. If you did not select to view y
